OUR WORK

Rated “Good Consultancy Firm” by our Clients!

Research Leadership

Euro Africa Consult Ltd. is one of the leading companies in ASAL development in the Horn of Africa Region. Some of its consultants have over 20 years of experience in food security, livelihoods and in drought disaster resilience in the ASALS

Work Teams

On each consultancy assignment, a team of 3 or 4 consultants with complementary expertise e.g. lead consultant, technical & management support consultant, data analyst and report editor are assigned to ensure timely and high quality outputs for the client

Our Approach

We take a holistic approach to ASAL development by focusing on sectors that have greatest potential for building inclusive resilient livelihoods among poor ASAL communities - women, men and youth

Professional Linkages

Euro Africa Consult Ltd. has a strong network of Associate Consultants available on short notice and is well linked to other consultancy firms and institutions e.g. Fair & Sustainable Advisory Services (Netherlands) and School of Public Health, Makerere University College of Health Sciences (Uganda), among others

WHY CHOOSE US

Leading the way

50+ Assignments

Over 50 consultancy assignments/projects undertaken on behalf of a diverse client base in over 15 countries in the Horn, Eastern & Southern Africa (HESA) Region

International Recognition

Approved vendor for food & nutrition security consultancy services for World Food Programme (Uganda Office)

Research & Studies

We've done studies (for WFP Kenya Office; IGAD Regional Office; IGAD-ICPALD Office and National Drought Management Authority (NDMA) in Kenya, among others. Recommendations from these studies resulted in positive change in policy and implementation of ASAL initiatives in the Region

Acknowledgements

Our services have been acknowledged to be good by several organizations e.g. UNISDR, Oxfam Kenya, Pastoralist Community Initiatives and Development Assistance (PACIDA), IUCN and Rural Focus Ltd among others.
